

BACKGROUND

This half-day, activity-packed event convening industry stakeholders from diverse sectors and regions of the green jobs and green building industries.

Hosted by **USGBC** in partnership with the **Blue Green Alliance** and the **City of Chicago**

The Green Jobs Summit will bring together trainers, funders, employers, union leaders, policy-makers, advocates, community groups and job seekers for a productive conversation about green jobs.

HIGHLIGHTS

Eight breakout education sessions will focus on green jobs policies and funding, demand creation, work-force development and curriculum and success stories and challenges from the field.

General sessions will include representatives from USGBC, Blue Green Alliance and the City of Chicago.

Green Building Job Fair: The Summit is being held immediately following the half-day Green Building Job Fair, a Greenbuild event open and free to the public to connect job seekers with hiring companies in the green building industry: www.greenbuildexpo.org/JobFair
