

INTERNATIONAL FORUM CHICAGO NOVEMBER 16 GREENBUILD 2010

This year's **International Forum** program has been expanded to include morning and afternoon breakout sessions addressing diverse topics, and interactive and engaging plenary sessions. The day will begin with an interview-style plenary on **Sustainable Architecture in Latin America**, featuring architects from Mexico, Brazil, and Chile, interviewed by Chicago based architect **Zoka Zola of Zoka Zola Architecture & Urban Design**. Mid day, a seated lunch and plenary will focus on international voices of change with key leaders addressing the progress of our common goal: green buildings for all in a generation. The summit will close with an **International Developers Panel** that will speak to policy and implementation developments happening in the US and abroad with developers from China, Australia, and the US, moderated by **Roger Platt, SVP Global Policy and Law, U.S. Green Building Council**.

BACKGROUND

One-day event convening international green building leaders from around the globe for an exciting day of education, networking and inspiration!

Features six internationally focused education breakout sessions addressing diverse green building topics
